

## ANALYTICAL QC INSTRUMENTATION (7 Days)

- ❖ Basic knowledge about instruments and principles
- ❖ Handling of instruments like:
  - Analytical balance
  - pH meter
  - Polari meter
  - Viscometer
  - Hardness tester
  - UV-VIS spectro
  - Disintegration apparatus
  - Friability apparatus
  - Karl Fischer titrator
  - Thickness tester
  - HPLC (Demo)
  - Melting point apparatus
